RE: 12 Day Pre Primary Report (01/01/2012 - 03/14/2012)

Dear Ms. Cavano:

This letter is in response to your request for additional information regarding the items below.

1. On July 14, 2012, the committee filed an amended report to reflect the accurate election designations for the contributions from Thomas McMillen.
2. On July 14, 2012, the committee filed an amended report to reflect the accurate election designations for the contributions from Burns and McDonnell PAC, CareFirst PAC and Exelon Corporation PAC.
3. The committee is filing an amended report to accurately reflect the election designations for the contribution from American College of Radiation Oncology PAC.
4. The committee was unaware that CareFirst PAC and BluePAC were affiliate, and are thus refunding the excessive portion of the contributions from BluePAC. This refund will be reflected in the committee's October Quarterly Report.
5. As noted, the committee has refunded the excessive portion of Nathan Landow's contribution, it was an unfortunate oversight of the committee that the refund was issued outside of the allowed time. The committee has reviewed its internal processes and will take measures to ensure that such an oversight does not happen again.

Please contact 410-719-0284 should you have further questions.

Sincerely,

Edwin Hale
Treasurer
